This License is evidence of the applicant's authority to engage in operations, in interstate or foreign as a Shipper, arranging for transportation of freight (except household goods) by Motor Vehicle.

This authority will be effective as long as the Shipper maintains insurance coverage for the protection of the public (49 CFR 387) and the designation of agents upon whom process may be served (49 CFR 366). The applicant shall also render reasonably continuous and adequate service to the public. Failure to maintain compliance will constitute sufficient grounds for revocation of this authority.

Jeffrey L. Secrist, Chief
Information Technology Operations Division

NOTE:

Willful and persistent noncompliance with applicable safety fitness regulations as evidenced by a DOT safety fitness rating of Unsatisfactory or by other indicators, could result in a proceeding requiring the holder of this certificate or permit to show cause why this authority should not be suspended or revoked.
